Updated for the SECURE & CARES Acts

July 9-10, 2020

"This program, with its emphasis on the SECURE Act, empowered me to start immediate discussions with my clients today for a better tomorrow. I was reminded at this training that being complacent hurts a client. I strive for excellence by being up-to-date on new tax rules and strategies to make sure I am maximizing my clients' potential retirement and legacy for which they have worked so hard. They deserve it and should demand this because it's all about them. Fantastic education! Wonderful presentation!"

MASTER THE SECURE & CARES ACTS

The **SECURE Act** single-handedly upended many long-standing retirement rules on January 1, 2020. Only three months later, a second and equally enormous piece of legislation was passed—the **Coronavirus Aid, Relief, and Economic Security (CARES) Act**. From RMD waiver eligibility and age changes to Coronavirus-Related Distributions (CRDs), **are you prepared to answer your clients' questions and be a knowledgeable fiduciary in this new terrain?**

RECOGNIZE NEW BACK-DOOR ROTH OPPORTUNITIES

By repealing the maximum age for IRA contributions, more clients will be eligible to complete Roth conversions. However, with recharacterizations eliminated, knowledgeable expertise is more important than ever to avoid costly and irreversible mistakes!

RIP STRETCH IRAS

Congress has pulled the rug out from retirees late in the game—*especially those with large IRAs!* Join us to learn about a key new beneficiary category still eligible for stretch provisions and the **five new strategies** that you can use to give your clients post-death control and minimized taxes.

CRITICAL ANSWERS THAT YOU, YOUR CLIENTS & COMMUNITY NEED NOW

Now more than ever, obstacles and volatility are a constant variable: the stock market, interest rates, tax laws, political and regulatory environment surrounding a global pandemic and an election year.

How will history remember 2020? That is yet to be written and out of our control. How will your clients remember you and the actions you took during these trying times? It is said that crisis does not build character—it reveals it.

Empty claims of being a "retirement expert" will quickly end in costly mistakes for those unequipped with the latest knowledge and advice. Leading financial advisors, those who take the reins during one of the most difficult periods in recent American history, need to be knowledgeable on these significant tax laws and updates.

The urgency for knowledgeable, professional advice has never been more essential!

The most timely, up-to-the-minute IRA education

Since January 1, our team of IRA Experts has been flooded with questions from thousands of Americans—consumers, professionals and media alike—such as:

- Which retirement accounts are affected by the RMD waiver?
- Can an RMD already taken for 2020 be rolled over?

- Is the age for QCDs still 70 ½?
- Who is eligible for a Coronavirus-Related Distribution?

As news continues to break, this LIVE virtual training will prepare you to answer the top questions of your clients, prospects and centers of influence.

After two days, you will be armed with immediately actionable intel to help your clients maximize their hard-earned retirement savings.

Get focused. Get educated. Take action.

It all starts by spending two days with us, America's IRA Experts, at our VIRTUAL Instant IRA Success. Join us for:

- **The most up-to-date IRA expertise**, including new opportunities and planning considerations stemming from the SECURE and CARES Acts
- **An action plan** to implement into your business immediately to protect your clients and prospects from avoidable (and costly) planning errors
- **A 400+ page manual** available for the first time ever in a digital format to use as a practical reference guide
- **Valuable CE credits**
- **Direct access to our team of IRA Experts** through a virtual Q&A chat experience to make sure you leave with no questions unanswered

WHAT ATTENDEES ARE SAYING...

"Outstanding 2 days of training! 40 years in the business and this was an eye-opening experience! What you don't know CAN hurt you."
— Chuck Price, Portland, OR

"Within the first 30 minutes of Ed's workshop, I realized I had made a common IRA planning mistake. I called my office and stopped a transaction saving my client tax on \$136,000 and saving the relationship. This program paid for itself within the first hour I was here!"
— Jim Flanagan, Naperville, IL

"The emphasis on the SECURE Act was critical. No amount of self-study could prepare me as well as the Slott team!"
— Scott Dewhurst, New York, NY

"I was able to show a prospect (now client) how to save \$52,000 on their RMDs from the material at this training! Their CPA loved it and so did the client."
— Larry Schuffman, Pensacola, FL

"Without this course, any professional advising clients on IRAs could make costly, in some cases savings-crushing, mistakes."
— Lisa Barram, Fort Washington, PA

"Ed Slott and Company's 2-Day IRA Workshop not only provided detailed explanations and illustrations of the latest updates from the SECURE Act, but the experts were dynamic, engaging and provided key ideas to help pre- and post-retirees maximize tax favorable treatment! I learned many valuable ideas to help my current and future clients. The education is top notch!"
— Maria Muth, Somerville, NJ
