MASTER THE SECURE ACT AND NEW RULES

Not only did the SECURE Act upend long-standing retirement rules in 2020, but more changes came into effect in 2024 that most clients (and their advisors) don't know about yet! Plus, new DOL fiduciary rules were recently released with exactly 300 references to IRA rollover advice. Master the details of these changes and learn the latest strategies to give your clients minimized taxes and post-death control of their assets.

65 SUMMIT

More Americans are turning the traditional retirement age of 65 than at any time in history. Starting in 2024, approximately 4.1 million Americans are turning 65 every year through 2027. That's 12,000 people a day! With the number of retirees at an all-time high, it has never been more important to become a trained, knowledgeable advisor specializing in retirement.

GAIN EXCLUSIVE KNOWLEDGE & ACCESS

Get direct access to America's IRA Experts, valued for being the nation's leading source of accurate, timely IRA expertise, through our Q&A experience. You will have the latest training and strategies at your fingertips to have high-value conversations with your key contacts.

HELP YOUR CLIENTS TAKE FINANCIAL CONTROL, AVOID UNNECESSARY TAXES AND COMBAT THE LATEST THREATS TO THEIR RETIREMENT SAVINGS

Obstacles and volatility facing retirement accounts are constant variables, and they are continuing to snowball with exponential speed and complexity! The stock market, interest rates, tax laws, the political and regulatory environment surrounding best interest legislation and the 2024 presidential election, just to name a few, are a ticking time bomb!

How will your clients remember you and the actions you took during these trying times? It is said that crisis does not build character—it reveals it.

Empty claims of being a "retirement expert" will quickly end in costly mistakes for those unequipped with the latest knowledge and advice. Leading financial advisors, those who take the reins during one of the most difficult periods in recent American history, need to be knowledgeable on these significant tax laws and updates.

The urgency for knowledgeable, professional advice has never been more essential!

Help your clients have more, keep more and make it last with up-to-the-minute IRA education!

With the effects of SECURE 2.0 continuing to roll in, this year brings a wave of changes and little-known planning opportunities to discuss with your clients immediately. From new rules affecting many spousal beneficiaries

to new opportunities to move 529 balances into Roth IRAs (but with notable limits and fine print to follow), and new little-known ways to reduce RMDs with IRA annuities, ***now is the time to gain a competitive advantage for both your clients and your business with advanced planning strategies.***

As news continues to break, this live training will prepare you to answer the top questions from your clients, prospects and centers of influence.

After two days, you will be armed with immediately-actionable intel to help your clients maximize their hard-earned retirement savings.

Get focused. Get educated. Take action.

Join America's IRA Experts to take advantage of timely planning strategies, including:

WHAT ATTENDEES ARE SAYING ABOUT TRAINING WITH AMERICA'S IRA EXPERTS

"Within the first 30 minutes of Ed's workshop, I realized I had made a common IRA planning mistake. I called my office and stopped a transaction saving my client tax on \$136,000 and saving the relationship. This program paid for itself within the first hour I was here!"

— Jim Flanagan, Naperville, FL

"The emphasis on the SECURE Act was critical. No amount of self-study could prepare me as well as the Slott team!"

— Scott Dewhurst, New York, NY

"The ever-changing IRS rules and the intricate rules of the SECURE Act are so specialized and this seminar drills down the particulars, which make them practical and invaluable to my business. The professionalism and knowledge of the speakers were beyond my expectations."

— Vicky Campbell, Oswego, IL

"This workshop should be mandatory for anyone working with retirement accounts."

— Jamie Plemons, San Diego, CA

"The tax information that I acquired was invaluable. I never comprehended how drastic and impactful the SECURE Act actually was until I went through the Ed Slott program. Financial planners are doing their clients a huge disservice by not participating in this educational program."

— Bruce Tynan, Cottonwood Heights, UT

"Ed's energy and enthusiasm are only exceeded by his knowledge of the subject matter, great presentation!!"

— Kevin Campisano, Louisville, KY
